AMBORIATED SALE TO A CHARLES ON A PROPERTY OF

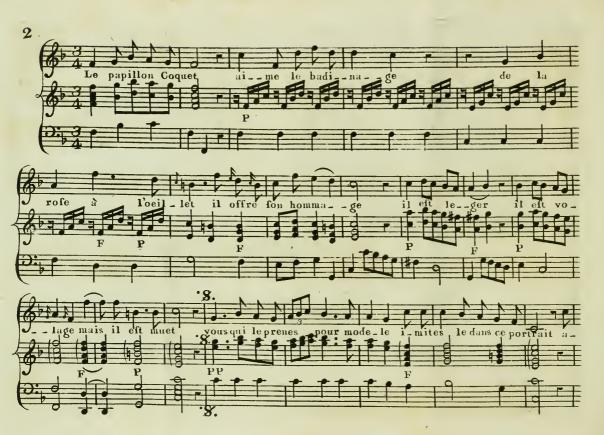

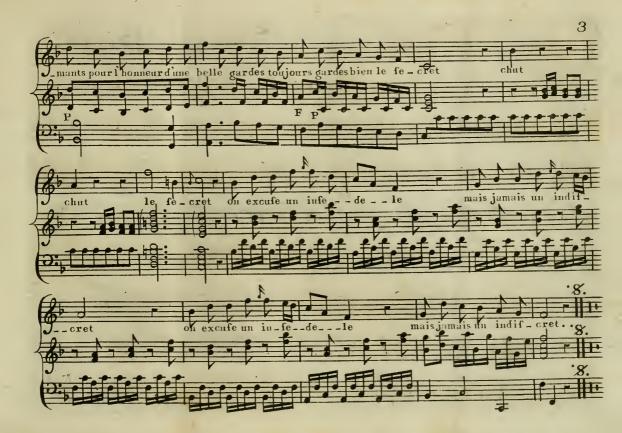

Where may be had all the above Authors Works with the greatest Variety of all kinds of New Music works

[(1-1-16]

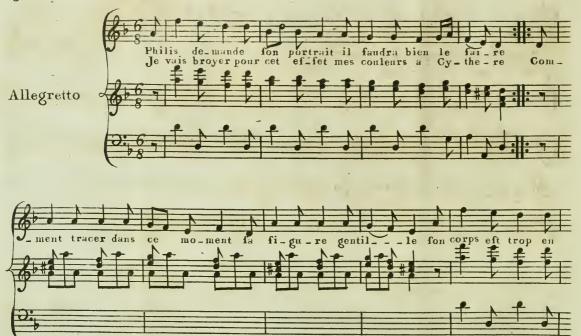

D'une manière imparfaite

Je vous difois mou ardeur

Quand la bouche est l'interprete

L'on explique mal fon Cœur;

Quoique je ne puisse dire
Ce que jai si bien senti
Dans mes yeux vous pourrès lire
Ce que vos yeux ont ecrit.

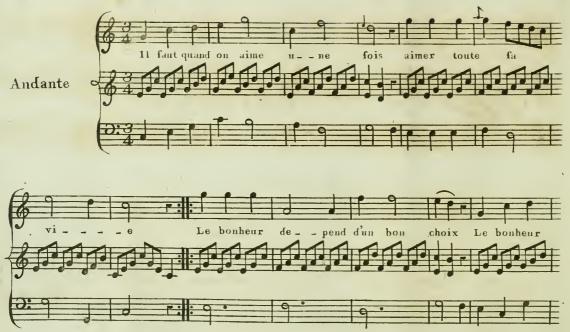

De Cypris elle a les attraits fans avoir la tendresse Pourquoi ne s'enflammer jamais et sollatrer fans cesse, Elle a les charmes des amours fans avoir leur delire Helas, la verra-t-on toujours rire quand on soupire.

C'eft l'amour c'eft fa flamme Qui brille dans mes yeux L'on croiroit que fon amé Brule des memes feux. Lifette à fon aurore Respire le plaisir Helas si jeune encore Peut-on deja trahir. 3

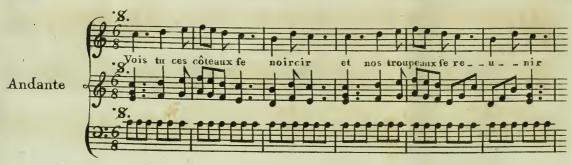

Ah ma chere musette
Soulage ma douleur
Parle moi de Lisette
Ce nom fait mon bonheur.
Je la revois plus belle
Plus belle chaque jour
Je me plains toujours d'elle
Et je l'aime toujours.

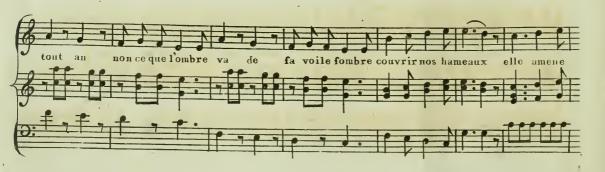

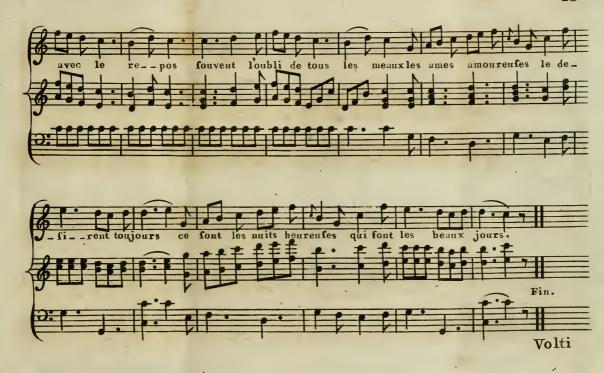

De l'amour que j'ai dans le Cœur Le tems n'est point le maitre Je le sens avec plus d'ardeur Je le sens avec plus d'ardeur Que s'il venoit de naitre. 3

L'amitie l'a fuivie
L'amour a couronne mes voeux
L'amour a couronne mes voeux
J'aime et c'eft pour la vie.

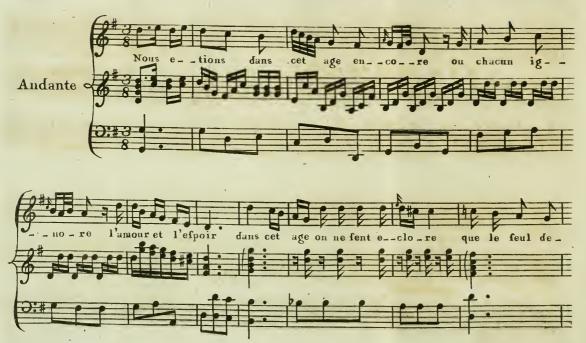

Un bouquet cueilli par Justine

Que ma main badine sur son sein a mis

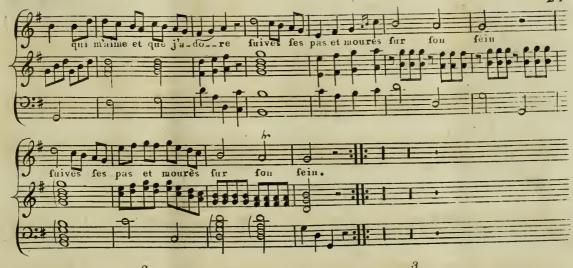

Dans cette age encore en fantine

Un seul baiser en sut le prix.

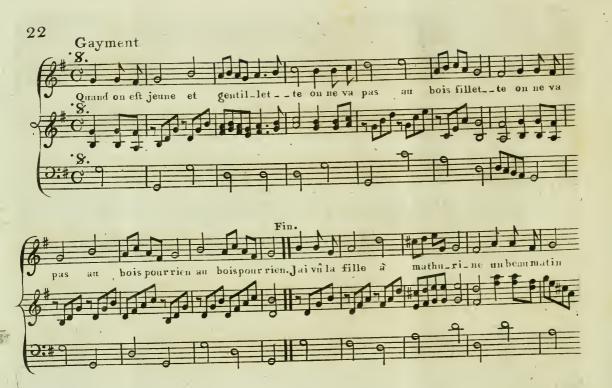

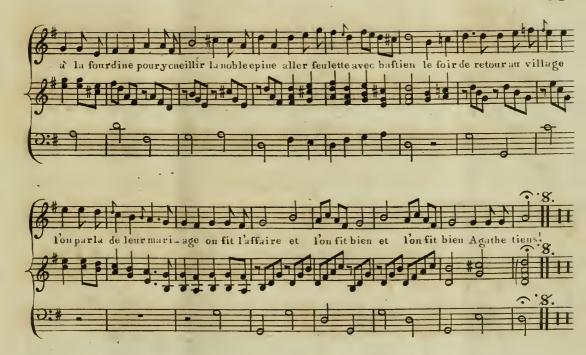

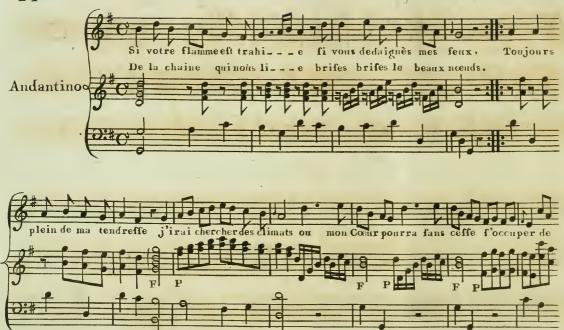

Quand vous verrès ma charmante Lifette
Vous benirès mille fois votre fort
Pour imiter ma conftance parfaite
Vous ne voudres la quitter qu'à la mort.

De la beauté vous ctes le Simbole
Un jour helas vous voit naître et mourir
Que ma Lifette apprenne à votre école
Que la fageffe est d'en favoir jouir.

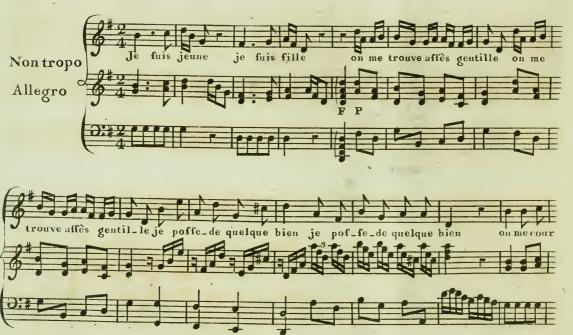

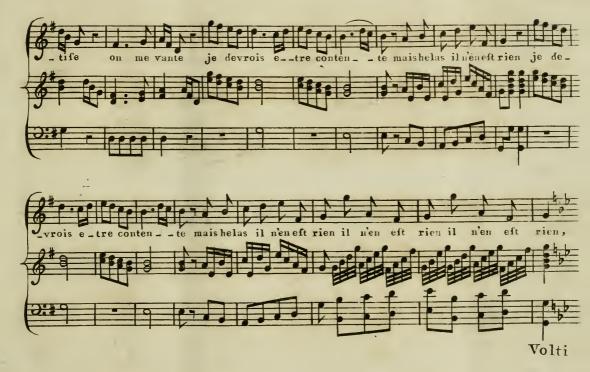

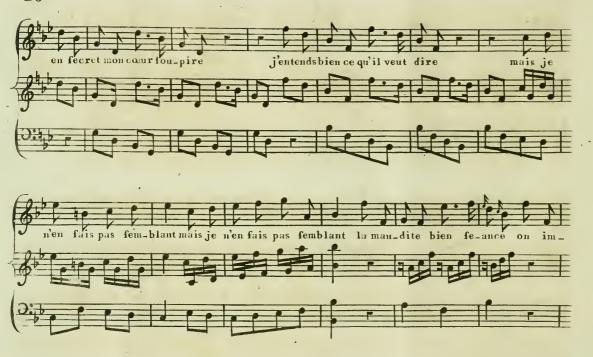

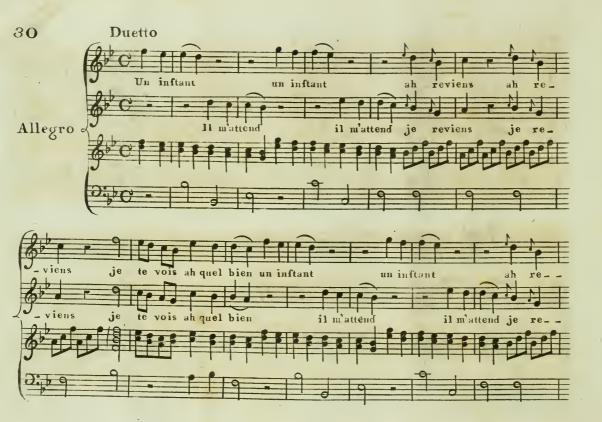

Amant fidel et fenfible
Apres m'avoir feu charmer
Je verrai f'il est possible
De vivre sans vous aimer;
Mais ma slamme est votre ouvrage
Mon Cœur perce de vos traits
Est trop plein de votre image
Pour vous oublier jamais.

Where may be had by the same Author, his first Book of Six Songs.
Just Published, A second Book of Italian Songs by Quelici. N.B. the greatest Variety of New Music.

100/100/10

Di questi boschi ombrosi In frà l'orror prosondo A ogni pastor m'ascondo Sol per pensare a tè, Ed al pensier seguace Impresta l'ali amore, Che vola insiem col core Ove non puote il piè.

Ma di mia voce al fuono
La mesta eco risponde,
O trà le verdi fronde
Un Zeffiro legger,
E così ognor mi pasco
Trà i slebili sospiri
D'inutili desiri
D'un misero piacer.

Di fe fastosa
Sorge la rosa
Regina altera
Di tutti i fior
E se n'adornano
Per lor diletto
Le chiome, e l' petto
'Ninfe, e Pastor.

3
La modestina
Cara nerina
Alla Viola
Ouanto è fimil?
Vanta un amabile
Vago sembiante
Ma ad ogni amante
S'asconde umil.

Clori orgogliofa
Pari alla rofa
Di nuove fiamme
Avida ogn'or;
À mille Giovani
Amanti intorno,
Più volte al giorno
Cangia d'Amor.

O Nina, o Clori
Son molti fiori
La giovinezza
Colla beltà,
E un volto florido
Ben poco dura
Se non è in cura
Dell'onestà.

Infensibile all affetto
Tu mi nieghi un squardo sol,
E con barbaro dilletto
Vai godendo del mio duol.
Un accento, un vezzo, un riso
Da te brama il tuo sedel,
Che se voi vedermi uceiso
Segui ad esser Si Crudel.

Ma ten fuggi, ei miei lamanti
Non ti sanno impietosir;
E più barbara di venti
Perchè Cerchi il mio morir.
Morirò, giachè lo vuoi,
Morirò per tuo piacer,
Ma chi sa che un giomo poi
In van to abbin a raveder.
